

# OSFO Athletes Representative Report

This last year has been difficult for all, for us all involved through sports we see our largest ever event be postponed and hopes and dreams shattered, regional and local sporting events cancelled. Well-being for everyone becomes paramount, ensuring that we can thrive in the face of adversity. The OSFO Athlete Well-being program is crucial for all of our athletes and entourage. As we fight to gain wellbeing, sport and physical activity is what brings us together, giving us the mental and physical strength to move forward.

The IOC Olympic Agenda 2020+5 provides a roadmap for the IOC's strategic direction through to 2025, reinforcing the Athletes Right and Responsibilities and further strengthening the athletes at the heart of the Olympic Movement. I continue to advocate for the athletes through our region within ONOC Athletes Commission, the Pacific Games Council and through OSFO, ensuring the athletes voice is heard at all levels of sporting governance.

As we move through to another year, I encourage the regional sports to reach out for information regarding the Athlete Rights and Responsibilities Declaration and for sports wanting to include a voice for their athletes on their regional body.
